OFFICE OF THE PRESIDENT
CITY MUNICIPAL COUNCIL MYSORE

Date 3rd March 1943

From

B S RAGHAVENDRA RAO Esq M A (H S)

PRESIDENT CITY MUNICIPAL COUNCIL

MYSORE

To

C Narayanaswamy Naidu, Esq, B A, B L,
Secretary to Government, Law Department,
Bangalore

Sir,

In forwarding herewith for sanction of Government the resolution of the Municipal Council noted in the margin regarding the grant of a

408 Health Committee resolution No 120 dated 16th January 1943 recommending the Health Officer's note dated 16th January 1943 proposing that Mr C Raghunatha Rao, Manager, Municipal Sewage Farm, may be given the same pay of Rs 125/- which he is getting as a Horticultural Inspector at Krishnarajasagar and the local allowance of Rs 20/- per month with effect from the date he joined duty as Manager, Sewage Farm, as his work is found very satisfactory during his stay for the past eight months for approval

APPROVED

Local allowance of Rs 20/- in addition to the salary he was getting at Krishnarajasagara, to Mr C Raghunatha

Pao, Manager, Municipal Sewage Farm who is now getting a salary of Rs 120/- as noted below

Pay Rs 100/- in grade 60-10-100 (as stated by the Director of Horticulture)

Local Allowance Rs 20/-

I have the honour to state that this unanimous resolution of the Council to grant this Officer the salary he was drawing in the Krishnarajasagara with an allowance of Rs 20/- was passed since the Council were very pleased with the very good work turned out by this Officer, which has incidentally brought in also a very handsome additional revenue of Rs 7,500 to the Municipality. This Officer took charge on the 10th June 1942 and I enclose herein for the information of Government, statements showing the receipts during the first eight months of the current year as compared to the first eight months of the last three years and also the receipts during the first six months and during the last 10 years, from which it will be seen that Mr Raghunatha Rao has been responsible

P T O

responsible for an increase of revenue of over Rs 6,000/- in the first 8 months of the current year. In addition, previously it used to be stated that during summer vegetables could not be grown well but owing to the special efforts of the present Manager during the current year the Sewage Farm is producing vegetables of a very high order and of very high quality even now when practically the summer is on. The Council therefore, as a mark of appreciation of the alround improvement of the Farm shown by Mr Raghunatha Rao during the short period in which he is in charge of the Farm, have unhesitatingly proposed that he be given the salary he was drawing at Krishnaraja Sagara in addition to an allowance of Rs 20/- per month. This may kindly be sanctioned with effect from the date of his joining duty as per the resolution of the Council enclosed.

2 In this connection it may be stated that when this Officer joined duty he put in a claim for an allowance here on the plea that he was getting a salary of Rs 125/- (Rs 100 + 25) D A in the Krishnarajasagara and therefore he may be given an allowance of Rs 20/- attached to this post in addition to the pay he was drawing. This application was then kept by, by the Council as the Director of Horticulture stated that it was too early to judge the results of his work and that the grant of a Local allowance claimed by Mr Raghunatha Rao would amount to a double allowance.

(Copy of Director's letter enclosed)

3 The work of Mr Raghunatha Rao has since been watched carefully and as seen from the statistics and from the condition of the Farm now and the Council have no hesitation in attributing the improvement of the Farm receipts and the condition of the Farm to Mr Raghunatha Rao's arduous work and in these circumstances, sanction may kindly be accorded to the above resolution.

I have the honour to be,
Sir,
Your most obedient servant,

B. S. Raghunatha Rao

Copy of letter No 40 dated 28th October 1942, from the Director of Horticulture in Mysore, Bangalore, to the President City Municipal Council, Mysore

Subject: Mr C Raghunatha Rao, Manager,
Municipal Farm, Mysore

"With reference to your letter No M4-38/42-43, dated 18/21st September 1942 forwarding the representation of Mr C Raghunatha Rao, for increased salary, I have the honour to state that as he was posted to the Farm only three months back, it is too early to judge the result of his work. The reported increase in the receipts of the Farm cannot be definitely attributed to him, it may very likely be due to the works done by his predecessor. It seems desirable to make certain of this by watching his work for a year at least.

"As regards his pay and allowances Mr C Raghunatha Rao's contention that he should be given a duty allowance of 20 % on the salary of Rs 125/- that he was drawing at Krishnarajasagara amounts to a claim for double duty allowance which is apparently in-admissible. He cannot take into account the duty allowance attached to the post of Horticultural Inspector, Krishnarajasagara.

"I would like to add that the salary which Mr Venkatesaiya was getting when he was first appointed as the Manager of the Mysore Municipal Farm was Rs 100/- + deputation allowance of Rs 20/-"

With reference to our letter No 126/PSC dated 26th October 1942, I have the honour to state that in view of the Government Order, a copy of which was sent to you, and of the fact that this appointment is not like other appointments to be advertised in the last grade, there is a doubt as to whether it is to be classified as per the ordinary rules in this matter. In spite of their best efforts my office has been unable to trace any Government Orders as to how such vacancies are to be treated. The vacancy falls under 'Special' as per our usual classification and you may class this vacancy as 'General' or 'Special' as you like in the above circumstances.
